“ I enjoyed getting to know Ann. No wonder she and Frank were successful. Her work ethic was very evident. She had a smile and an astute observation for those around her. She had a big heart and loved her big family. Thank you for trusting us with your mom.

“ Ann was one of my most favorite residents to care for. I loved the spunk she had and she always made me feel so good that she thought I was part of the family. I'm so sorry to hear of her passing, but I know that she is happy to be with those who've passed before her that she missed so much. Sympathy to the family.

Very sorry for your loss. She was always so nice to me and would greet me where ever I met her. I recognized her right away at the Nora Springs Home and talked shortly with her each week when I came to visit regularly with someone else.
