“ My sympathy and prayers for Brenda and her family. I enjoyed working for her at 102. I loved her sassy and teasing side as well as her relaxed and calm side. She will be missed...

“ I just had to share again to tell how very special Brenda was to me. I have had the pleasure of knowing Brenda for 5 years it just seems so much longer, I got to know Brenda when I started working at 102 Kelly Court, although at first Brenda scared me and she was my least favorite to work with but in 6 months she was my favorite I felt Brenda and I had a connection that I can't explain but soon I felt like she was more like my daughter or sister, I loved her like family. Even though Brenda had alot of disadvantages and if it were me I would have been sad all the time, but not Brenda she was spunky and spicy and happy, she had learned at a young age to use her other senses, she loved the wind in her hair and the sun on her face, she loved loud music so she could feel the vibrations and she could tell who you were by your sent. After I quite Mosaic I still would visit Brenda and with her mom and sister's ok I could take Brenda in my car or help her at 102, we went for rides and shopping and wanted to take her many more places including the zoo this summer but God had different plans and now my sweet Brenda can see and hear and be able to walk and run. I will miss her very much just like the other people who worked with Brenda she was the kind of person who left a mark on your heart and is impossible to forgot. My deepest sympathy to her family and the worker's at 102 who worked with her daily and I want to thank all of you for taking such good care of Brenda.

“ I took care of Brenda many years and she was strong willed, determined, and enjoyed interactions with others. She will be missed at 102 Kelly Court but can now spend time with her Dad now. Life will be easier for her now with no limitations in heaven. Its so hard letting go and my condolences are with you and your family.

“ My deepest sympathy to all family and friends of Brenda, Brenda had a very funny sense of humor, I loved her laugh, I have several good memories but one in particular was when I was assisting her in the restroom at the Surf and a very small stall I might add, had a terrible time assisting her but we made but when we both were out Brenda was signing toilet and laughing she thought it was so much fun she wanted to do it again LOL. She will be missed by many.
