“ I am so sad to hear this. Dan was a great friend. My earliest memories of Dan was in 5th grade when he suggested, being we had the same first name, that I go by Dan and he could go by "Danny." I remember trips to the roller skating rink in Mason City, when we were in Junior High. As we continued on is school and into our twenties we spent many hours playing ping pong, basketball, hanging out and driving around having great conversations about life and faith. I lost touch with Dan over the last 15 years and wish I had done more to reconnect with him. So sorry that he is gone. My heart and prayers goes out to you Roger, Cheryl, Lori and the rest of Dan's loved ones.

“ My thoughts and prayers to Dan's family and friends at this time of loss. Dan has been a part of my family since I was very young. My brother and him grew up together and were good friends for many decades. I am very sad to see him go so early in his life. I will cherish the memories of him and the impact he had on my life. Rest in Peace Dan.
