“ Melody, So saddened by Danny's passing. I never saw him without a big smile on his face and he was always just the sweetest guy. He left us way too soon. He is now in Heaven with your mom and dad. What a great reunion. You and your family have my deepest sympathy. I love you girlfriend. Lori

“ Since DeWane hired me out of college I spent a lot time at his and Edna's house and got to see the kids grow up and start their own jobs and families. There was always a lot of love in the Robertson family. Howard was right on Danny. He always had a smile and was laughing and making everyone around him have fun. I'm sorry he left everyone early but you're right.....I bet Edna and DeWane are smiling up there today. RIP Danny.

“ Prayers for his family. He was a wonderful, kind hearted and simpothetic little brother. We had a lot of laughs over the years. He would always have something positive to say. He never met a stranger. There's a good reason he made a good salesman he could sell ice to an Eskimo my Dad would always say. Danny would give anyone the shirt off of his back if he could help someone. I already miss his talks we would have from time to time. Danny I miss you little brother but I know you're well taken care of up there in heaven with Mom and Dad

“ Prayers for the family. I have soooo many great memories at Grammy & Papa’s house with Danny, Melody and Howard. Even in his adult life we had some good times with laughs. He will be missed.
