“ My heart goes out to you all. Delbert was a great guy to talk to. He had a great sense of humor, was always willing to sit and chat, and was one of the most polite people I had the pleasure of meeting. My thoughts are with you all. I'm honored to have been a person to meet and care for him. He was one of the best.

“ Delbert always had such a gentle manner about him, always a smile on his face! I admire this! His mind was just as sharp as a young man, he was a most loved man and will hold many memories to all who knew him! My deepest sympathy to Bruce Connie Meyer for Kathy and the family of his, a great man was lost

“ To Marvin,Kathie, Nathan,Angie and your entire family: I hope you know how loved Delbert was to my family, my office staff and especially me. When he built our house, Iris would always have an extra candy bar for my sad-eyed little beggar son, David. They really hit it off and few words were ever exchanged. Delbert taught me little

wood working tips that I still use. It was always a special day when he would come to the office. I hope the out pouring of love and stories by the many he touched gives each of you peace. Jim Coddington

“ Delbert was like a second dad to me. He always stopped to say hi when I would be back home. Marv and I were inseparable when we were in school and Delbert was the kindest man I had ever met (although I know we tested his patience on several occasions). My heartfelt sympathy to the family for your loss. A man of high integrity who had an everlasting impact on the community and all who knew him.
