“ I have some fond memories of Jason when he was still a little boy.... He loved the show "incredible hulk," and he would rip of his shirt and then put panty hose over his head to show that he just turned into the Incredible Hulk! Man that was so dang funny!

Fast forward to 1991 I think. He and Aunt Kathleen were visiting Aunt Donna & Uncle Keith... And I promised to hang out with Jason at Disneyland... Well, I heard you can cut lines when your in a wheel chair.. so I checked out a wheel chair and since I had a brace on.... We cut the lines and boy did we have a great time.

Just doesn't seem fair, when he struggled as a child coz of a tumor and went to Mayo Clinic to Chemo... and he was fighting so hard to turn his young adulthood around... He will be deeply missed... Love ya cous..... Dana
