“ Jolene and I had a lot of fun through the years. We worked together for 24 plus years. We would take a day trip every year, Getting lost one time was a great memory and a big laugh for us. We took a day trip with Bill and Dave to Wabasha Minn and ate at Slippery bar and grill where grumpy old men was filmed. Lots of memory's, I will miss you my Friend.

“ Jolene will never forget our fun times and helping you with your other part time job. That smile of yours should make people wonder just what you were thinking but I always knew. Rest in Peace Jojo. Sympathy goes to her family as she was so devoted to you as she talked about you often in our conversations.

“ I am so sorry to hear about Jolene's passing. I worked with her at the Village and she was a hard worker. She was very passionate with the clients. I used to sit on the front porch of her house and watch the Band Festival parade with her and Bill. You are in my thoughts and prayers.

“ I am so sorry to hear about Jolene! She was the first person to train me as a job coach at One Vision. She cared about everyone she worked with. Several afternoons, we would be in the office and start laughing about something and not be able to stop. Jolene was very sweet, and she will be missed terribly.
