“ I was saddened to hear about Kim. I really liked Kim, she would tell you like it is. I met Kim on Pool League and my last game with her - she beat me by breaking the rack and got the 8 Ball in on the break. I will never forget that. I said to her "how could you do that to me, you never let me shoot." Kim may be rough on the outside, but she had a good heart on the inside. R.I.P. Kim. you will be missed especially on Pool League. Kim, you are in no pain now. Hope you are having fun playing pool until I see you there.

My sympathies to the Family of Kim Schroeder Johnson.

Love ya, Kim

“ It didnt matter how long it had been since you'd seen her, if you were Kim's friend, you were her friend for life. Kim would drop whatever she was doing to help a friend out. And she had friends from all walks of life and alot of them. Everywhere she went she ran into someone she knew. She seemed so gruff sometimes on the outside but inside...thats where it all was. She was kind, thoughtful, never forgot a birthday, always willing to go do something or go somewhere to have fun. And she was bat shit crazy when it came to something she believed in. I loved her. We had so much fun in her lifetime and can't even count how many times we almost got in trouble. Every time her son's family sent pictures we would sit and look thru them and she would have the biggest grin on her face. She loved her grandkids and was so proud of Robbie and his family. Her wallpaper on her phone was of her grandkids. I'm gonna miss the shit out of you Schroed. Pool will never be the same. Life will never be the same. Hope you had an easy journey and I'll see you when I get there. Love you

“ I have so many memories with Kim that will be forever cherished!! I still can't believe she is gone! I met her back at Clear View roller rink when I was like 14.... I was intimidated by her when I first met her!!! She seemed to be a tough chick... but then I got to know her and she was a great person with a heart of gold!! Many many good times!! RIP Kim.... until we meet again someday!!!
