“ Got my first car loan from Larry at United Home Bank. Several loans from him at NICCU. I considered him a friend not just a banker. Sad to hear he is no longer with us.

“ Larry and I worked together at McCurdy Seed Corn Company in Fremont while we were in High School. You had to be a part of our crew to understand what it was like in that Iowa heat during the summer.

We lost contact over the years, but found each other again through Face Book. We shared a lot of thoughts, jokes, and ideas about life. He was fun to be around and will be missed by all who knew him. All our thoughts and prayers are will Judy and the entire family.
