Lucinda Jean Wagner was born December 4, 1950 in Charles City, IA the daughter of Kenneth "Shorty" and Arlene (Meriss) Wagner. Growing up in the Marble Rock area, Cindy attended Marble Rock High School. She was blessed with two children, Dave and Romie. On December 24, 1999 Cindy married Bill J. Grouette Sr. in Mason City and two families became one.

Cindy was a lover of the outdoors who didn't mind getting her hands dirty in the garden. Whether it was vegetables or the numerous flowers around the house, she truly had a green thumb. Cindy was a talented fisherman and enjoyed time by the water. For many years she played softball and later found joy in playing pool on the Mason City Pool League. Time spent cooking and baking showed off Cindy's talents in the kitchen. Most of all, Cindy loved being a caring wife, mother, and was blessed to become a grandmother and great-grandmother.

Cindy has kindly asked Pete Kiroff, Nathan Lavange, Paul Grouette, Rob Muelert, Cindy Brierley, Gary Anderson, Junior Leppert, and James Munson to act as her honorary pallbearers.

Those left to cherish her memory are her husband, Bill Grouette Sr.; children, Dave (Cathy) Williams of Manly and Romie Williams of Joice; Bill's children, John Grouette, Bill Grouette Jr. and Jared Grouette; twelve beloved grandchildren; 3 great-grandchildren;

sister, Doris (Bill) Withee of Northwood, and brother, Larry (Liz) Wagner of Rural Marble Rock; sister-in-law, Joan (Wagner) Massey and her son, Richard Jr.; as well as numerous extended family members and countless friends.

“ I am so sorry to hear about Cindy. She has gained her heavenly wings and is in no pain now. Cindy will be missed by many and even playing pool in the River City Women's Pool League. My condolences to Grizz and the rest of the family. I would of come to her Celebration of Life but couldn't get there, but she will live on in my heart and others. R.I.P. Cindy.

“ There isn't a way to express how much my beautiful Sis loved her family. She was always planning family get togethers for which she cooked sides while husband. Griz. smoked the main course. When I was in my teens and began dating, guess what. I had to take her along! Jeez! She would have a tantrum until our parents would insist she did. A temper she did have. She was brave all during her illness right to the end. Our hearts are broken, but

her memory is a blessing.
