“ Most of you won't remember me but I was the Snap-On tool dealer in the early 80's and Marv was a good customer and, later, a friend. Years go by and a move to Ankeny caused our friendship to wane. I still use the snow blower I bought from him in 1982 and it has the silver "KB Saw Shop" sticker on it to this day. I think of Marv every time I see or use the blower. I remember him as a good, honest, humble, hard working man who loved his family. Know that my thoughts and prayers are with you.

The stories shared time and again wishing you all the comfort of precious memories! Prayers and hugs goes out to each of you. My mom enjoyed working with him at Minn. Rubber. “ To Geneva, Scott (Maryann), Sheryl, and Mark:

All of you have my very deepest sympathies and condolences. I am so very sorry for your loss. I met your dad on several occasions at his home when Scott and I were younger. I truly hope that all of you find peace and strength during this time and to always keep his memory close to you and alive in your heart.
