“ I have so many memories to share as far back as my childhood. She was a very good friend of my mom for so many years. For most of my life, I knew I could always stop by & visit with her while she either baking, babysitting or crocheting. She enjoyed sharing many stories of me when I was little. She showed me pictures she had taken of me when I was little & my mom didn't have a camera. It would be wonderful to see them again someday. I haven't seen her for many years as I was unaware of where she was living, just knew she moved out of Prairie. I would ask Kaylynn how her mom was doing ever time I seen her at Walmart & she would always ask how my mom was too. Spent a lot of time with Jean (as I called her) & her family. May she rest in peace with no more pain. Condolences for the family & friends. Please let me know when the services are in Bloomington. Thank You!
