“ In my early to mid teens, Pierre and I played tennis for hours pretty much every day. After about four years, I finally took a set off him, it was one of the best feelings I've ever had. lol  
I'll never forget his laugh and the great times we had. He was a great friend and I've thought of him often over the years and am really sorry to see this.  
I wish peace for Pierre and all of his loved ones.

“ I wasn't sure if putting an LOL in here was appropriate, but the one thing I could count on with Pierre was lots of laughing out loud.

“ I knew him in school growing up. I will never forget when we were in gym class playing dodgeball. He was accurate and devastating when you were on the opposing team. It makes me laugh when I remember kids actually being taken off their feet when that ball connected. The Lord comfort the family in this time giving them peace.

“ Omg! Your dodgeball comment is spot on. He had that side arm throw and it was deadly!

“ Pierre was one of my first childhood friends. We had some fun times together. We stayed friends all through the years and I have been very thankful for that. May you now be free of pain. Will miss you

“ Pierre and I grew up together in the same neighborhood in Mason City. We were friends, classmates, and teammates. He always had a smile on his face and a bounce in his step. We were 16 years old the last time we saw one another. May God wrap his loving arms around the family and friends of Pierre and comfort each and every one. Peace and Blessings.
