“ Ron, provided a safe haven for our son, Josh, whenever severe weather was in the area Ron's basement was always opened to Josh, 24/7. Ron was shelter for Josh, in every sense of the word and now Ron, himself, is sheltd in every sense of the word in God's most loving Home. Ron's smile lit up this world, imagine what it looks like in Heaven. To his family, know he took all your love for him with him and his love for you remains with you, it fact it's increased. Love, Julie & Jerry, especially Josh, our son.

“ My sincere sympathy to Ron's family. We attended high school together. He was a nice person - always had a smile for others. He was too young to pass; but I know God's plans and his timing are perfect! May your special memories of Ron comfort you and Christ PEACE and LOVE surround you!

“ Ron will be missed by many as he was loved by many., he was a great neighbor and Tiffie and I will miss him on our walks and just going down to see him. Tiffie would always pass everyone and just go up to Ron and he would rub her back and you could tell she just loved him, I know he loved his kids and grandkids so keep all your wonderful memories close to your heart and know that when the time is right you will see him again, He will be watching and smiling down from Heaven at all of you.
