“ So many wonderful memories of Stella. She was such a friend and helped me through many hard times. I called her my spiritual Mom. Her Bible studies helped so many people. She was one very special person. I will miss her even though I couldn't get up to visit like I wanted to. She is in heaven where she longed to be and we'll see her again.

“ To Stella's family,

We express our sympathy to all of you. We have been Stella's neighbors for many years. She always enjoyed visiting, tending her yard, and her flowers. You are all in our thoughts, and prayers. She was always so kind, and always had a smile. Was a Christian who loved everyone. She will sure be missed. God bless you all.

“ Aunt Stellie was one of the kindest most non- judgemental people I have ever known. She always saw the good in everyone. Her Christian values were something we all could learn from. You are in my prayers dear cousins and I hope your fond and loving memories will carry you through this difficult time. Ava Marie

“ Oh Stella,  
My family will miss you.  
A huge force left the earth!  
You were so beautiful even at 99! Must of been her good genes and Jesus! Our block was so blessed to have her. She prayed for all of us like her little ducklings! And she had real ducklings all of you, her kids and grand kids and great grandkids! I loved Stella work ethic! And her mind was twinkling. She knew what everything was up to! Amazing.  
And I appreciated her study of the scriptures and instead of running around filling her time with worldly obsessions she talked and hung out with God!  
No wonder she had peace in so many storms in life. She was well read always letting us know new things going on in world or remedies.  
Your Mama could have been a movie star she was such a beauty and kept her beauty!  
I remember my Mom and your Mom would drag us to tent meetings! All that bible thumping from your Mama and mine changed our lives! We are lucky kids.

Your Mom was much loved and treasured by Shirley , George,Dean and Kim Hasse
