

Wayne Baker

November 14, 1945 - October 13, 2018

Wayne Carroll Baker, 72, passed away Saturday, October 13, 2018 at Hospice of North Iowa in Mason City, Iowa. Private graveside services will be held at 11 am on Saturday, October 20 at Clear Lake Cemetery, with Pastor Nick Burgus officiating.

Wayne was born on November 14, 1945 in Mason City, Iowa to Mildred (Meter) and Donald Baker. Wayne attended Lincoln Township Country School through fourth grade and later graduated from Clear Lake High School in 1964. In his younger years, he helped on the farm with his Dad. Wayne enjoyed playing with his dogs. Like his Mom and Dad, he thoroughly enjoyed the beauty of their flower garden. Anyone who drove North of Clear Lake on county road B-20 (Grouse Ave) in the 1980's and the 1990's always saw their beautiful flowers. Wayne was an avid reader on a wide variety of topics ranging from health foods, faith, agriculture, medicine and several others. Mildred faithfully prepared large family-style meals from their garden which Wayne loved. You could be sure that Wayne would have nothing to do with the preparation nor clean-up of this meal, but was always a good eater.

Wayne is survived by his brother Gene (Nancy) Baker from Clear Lake, Nephew Joshua (Charity) Baker of Rockwell, IA and their children Andrew and Lily, Niece Julia (Jacob) Hansen of Denver, CO and their children Eloise and Pearlmae.

Wayne was preceded in death by his parents and infant sister Doreen Marie.

Comments

“ Sorry to hear about Wayne. I met him at the Renew Center and he would come up to Northwood to visit me. We had some good talks together. My deepest sympathy goes out to your family. Thinking of you, Becky
